What is KURUKSHETRA?

Kurukshetra is the battlefield where Arjuna overcame doubt and discovered his purpose.

Inspired by this, we present a cultural fest for 16 to 18 year-olds, alongside the Geeta Chanting Competition, to help them discover their inner warrior.

About KURUKSHETRA 6.0

Having witnessed the registrations of over 4000 youngsters from over 30 schools across Chennai in the past five editions, this sixth edition of Kurukshetra provides students with the opportunity to participate in over 20 events that serve as a platform for expression of creativity, exploration of eternal knowledge, and encourages them to unleash their potential.
